I authorize ETO Doors Corp. to charge my personal/company credit card for the amount below to pay invoice/estimate number above.

We MUST have your correct BILL TO address for verification by your credit card company. This is the address where they send your monthly statements. If any of the information is incorrect, it will delay your order and additional processing charges may apply. We will contact you via email if there are any problems. Please understand that this is an internet credit card regulation to insure online security and is required by all credit card issuers.

Visa, Master Card, American Express & Discover require Billing Address Verification and only allow us to ship to a verified alternate address.

Not all online merchants follow the regulations, but as a 100% secure processing site, we comply with all Internet "card not present" anti-fraud procedures. We hear time and time again that "other companies are not following security regulations that are required by all credit card issuers.
